**ADDENDUM ONE**  
**December 8, 2014**

**ITB 15-0612**  
**Mobile Vehicle Lift System**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

Questions regarding this ITB are due by December 18, 2014. The purpose of this addendum is to address questions received to date.

**Question 1:** Do we know the voltage of the column lifts?

**Answer 1:** The current voltage at the Fleet Maintenance Facility is 480 volts, three (3) phase. The awarded bidder shall be responsible for any electrical improvements required for the proposed lift. Pricing for electrical improvements shall be incorporated into the price submitted in the bid for the mobile lift system.
